Wake Forest University Professor of Psychology Dr. William Fleeson is conducting a research study on daily thoughts and actions.

You will be compensated up to $50 depending on your level of completion of the questionnaires.

**Must own your own smart phone in order to participate. Text and data rates will apply and are the responsibility of the participant.**

(Participants must be at least 18 years old)

Call 336-758-5786 or email surveys1@wfu.edu for more information.

For 7 consecutive days, participants will answer questions on their own smartphone about their daily thoughts and activities.

Takes about 3 and a half hours total.
